

FOUNTAIN VALLEY POLICE DEPARTMENT

CRIME TRENDS AND ANALYSIS

OCTOBER 2009

Fountain Valley Reporting Districts (RD)

TIP OF THE MONTH: THANKSGIVING SAFETY TIPS

Home & Cooking Safety

- Unattended cooking is the leading cause of home fires in the U.S.
- When cooking for holiday visitors, start with a clean stove and oven, keep a fire extinguisher nearby, and never leave the area unsupervised.
- Keep pot handles turned inward, away from the edge of the stove. Don't wear long, loose sleeves that can hang over the stove while cooking.
- Keep matches and lighters up high, out of sight and reach of children (preferably in a locked cabinet). When smokers visit your home, ask them to keep their smoking materials with them so young children do not touch them.
- Keep children at a safe distance from all hot items by using highchairs, child safety gates, playpens, etc. Keep them out of the household traffic path and check for their location before moving any hot or heavy item.
- Remove tablecloths and placemats when toddlers are present. They tug and pull on everything within their reach--hot or heavy items can easily be pulled on top of them.
- Test your smoke alarms, and let guests know your fire escape plan.

Turkey Fryers

- National Fire Protection Association (NFPA) discourages the use of outdoor gas-fueled turkey fryers that immerse the turkey in hot oil.
- Turkey fryers use a substantial quantity of cooking oil at high temperatures posing a significant danger that hot oil will be released during the cooking process that can lead to devastating burns, other injuries and the destruction of property, including fires.

Holiday Decorating & Candles

- Use caution with holiday decorations and choose those made with flame-resistant, flame-retardant or non-combustible materials.
- Keep candles away from decorations and other combustible materials, and do not use candles to decorate Christmas trees.
- Extinguish all candles when leaving the room or going to sleep.
- Keep candles at least one foot away from clothing, books and curtains.
- Use candle holders that are sturdy, made from a material that cannot burn, and are large enough to collect dripping wax.
- Keep candles and all open flames away from flammable liquids.
- During power outages, avoid carrying a lit candle. Use flashlights.

RESIDENTIAL BURGLARY

RD 28 11500 block of Marigold between October 9 at 1800 hours and October 10 at 0730 hours. Unknown entry into the garage. Loss was clothing.

RD 28 16000 block of Mt. Lister on October 13 at 1120 hours. Entry through the garage side door. Loss was a 12 pack of Heineken beer. **Suspect descriptions obtained.**

WE WANT TO KNOW!!

Do you have any questions for us? The functions of a Police Department and the procedures it follows may be a mystery to some. If you have a general question about our policies, procedures, general information, tips, etc., please email it to us at: crimewatch@fountainvalley.org.

Your question may get featured in one of our upcoming newsletters. We just ask that you please make your question general in nature and do not get into specific events that may have occurred. That way we will be able to answer it completely without issues of confidentiality arising.
